Ambassadors help with dances and spirit weeks in addition to other Junior High events.

 SPSA Evaluation: (see attached print outs to cover full detail of discussion). Members reviewed progress on SPSA goals with available data. iReady and CAASPP data is not available yet to review current progress. Analysis was performed for each line item to review differences and how to correct for next school year. One expenditure on NGSS needed further explanation, the paper got cut off. Need to add a budget line for outdoor/playground equipment for the 2023-24 SPSA school climate goal. _____(Principal initials) I certify that this agenda was posted in a publicly accessible place for at least 72 hours before this meeting.
