 Subject: Tutoring Services

During the course of the school year, we have requests for home tutoring and private tutoring services. A child who qualifies for a home tutor would receive five hours a week of instruction (one hour per day). Home tutors would be paid at the rate of \$38.79 per hour.

If you wish to be a private tutor, all scheduling and financial compensation would be between you and the parents of the student. Santee School District will provide parents with a list of interested teachers without endorsing or recommending specific teachers.

If you are interested in becoming a home tutor or private tutor, please fill out the form below and return it to Sue Sarmiento in Educational Services as soon as possible. You can also provide the same information via email to Sue.Sarmiento@santeesd.net. If you have any questions, please call me at (619) 258-2364.
