Master Agreement
Long Term Independent Study Contract: Part A

Student _____ Grade _____ Student Number _____

Contract Dates: from _____ through _____ Total Days _____

Conditions of the Independent Study agreement:

According to Santee School District Board Policy 6158, the Long Term Contract for Independent Study is for the pupil who enrolls in independent study to accommodate family needs while dealing with the current pandemic, illnesses that require learning at home, or other situations requiring the pupil to be away from school.

Independent study is available to pupils in grades TK – 8. Pupil with exceptional needs may not participate unless the Individualized Educational Program (IEP) specifically provides for participation.

Assignments not turned in by the due date shall be considered "missed assignments." No attendance credit may be given for missed assignments. The student will be subject to truancy if assignments are not turned in. Upon signing, the parent accepts responsibility and understands the parent/student will be subject to the Student Attendance Review Board (SARB) if absences accumulate due to missed assignments. In addition, future independent study requests may be denied by school administration.

The pupil's completed assignments will be evaluated by the teacher or principal's designee. The objective will be to assess the work for completion and quality of assignments. Oral and written tests may be administered when necessary to assess the pupil's achievement of the goals and objectives of the contract. The teacher evaluates the completed work, assigns attendance credit, and gives academic credit.

Pupil and Parent/Guardian understand that Independent study is an OPTIONAL EDUCATIONAL ALTERNATIVE to classroom instruction consistent with the district's course of study and agree to participate voluntarily in the program. Pupil and parent/guardian agrees to accept all teacher assignments as given on assignment contract(s). NO PUPIL MAY BE REQUIRED TO PARTICIPATE. In the case of a pupil referred or assigned to any school, class, or program, independent study instruction may be provided only if the pupil is offered the alternative of classroom instruction.

Assignments completed and submitted by the due date will earn full academic and attendance credit. To receive full credit, all work in all subjects must be completed. The manner, time, frequency and place for submitting work is specified on the assignment contract.
