

Santee School District's Wellness Policy Highlights

Fundraising on Campus

Foods "SOLD" On Campus

Only compliant foods & beverages may be sold on campus from midnight to 30 minutes after the school day.

Compliant food and beverages are those that adhere to state and federal sales regulations as listed on the District website. www.santeesd.net

Rewards, Classroom Celebrations & School Events

Food "SERVED" On Campus

*Non-compliant foods are limited to once per month.
(Contact site administrator for dates.)*

All other days only compliant foods & beverages may be served from midnight to 30 minutes after the school day.

All celebrations and events must take place after lunch.

Food Safety at School

All food items brought on campus by parents /guardians, volunteers, community organizations or businesses shall be store-bought, prepackaged, with a label listing ingredients. No home cooked foods or beverages shall be served to students.

Marketing Food and Beverages in Schools

Marketing of non -nutritious foods and beverages is not allowable from midnight to 30 minutes after the school day.

Marketing includes but is not limited to signage, vending machine fronts, logos scoreboards/signboards, school supplies advertisement in school publications, coupons, or incentive programs, or other means.

Nutrition Promotion

Nutrition promotion shall include marketing and advertising nutritious foods and beverages through a comprehensive and multi-channel approach by school staff, Teachers Parents, Students, and Community.
